

## Venue

The Congress will take place at the Convention Center of the Meliá International Hotel in Varadero, Cuba. Varadero Beach is the second most important tourist destination in the country, with extensive infrastructure for serving visitors.

International delegates can fly directly to Varadero International Airport or Havana Airport and hire transportation through the event tour operator or regular services available at the airports.

Foreign delegates staying in Havana a few days before the Congress may hire transfer services to Varadero (see contact information and prices below). For accommodation in Havana we suggest the hotels:

- Gran Muthu Habana [4 stars] (<https://www.muthuhotelsmgm.com/gran-muthu-habana.html>)
- Iberostar Selection La Habana [5 stars]  
(<https://www.iberocuba.com/en/hotels/havana/iberostar-selection-la-habana/#>).

Reservations can be made directly with the hotels.
